Notes:

1. Anemia (anaemia) is a common complication of many chronic diseases, such as Cancer, Chronic Inflammatory Bowel Disease, Chronic kidney Disease, HIV infection and AIDS, Rheumatoid Arthritis.

Unlike any other supplements that simply provide elements of blood cells, Nature's Essence™ Blood Tonic Syrup nourishes the blood and relieves anemia by promoting health of organs and processes involved in blood production and health. These unique properties make the Blood Tonic Syrup very helpful in various conditions, including:

- weakness and anemia due to chronic diseases.
- many sub types of anemia due to inefficient bone marrow, or breakdown of blood cells.
- weak physical conditions such as after surgery, after giving birth, irregular menstruation, or getting old.

2. A modern form of the prescription in TCM Peach Seed and Safflower Decoction of Four Ingredients (prepared rhizome of rehmannia, Chuanxiong rhizome, peony root, Chinese angelica root) functions nourishing blood, promoting blood circulation and dispelling blood stasis. It is helpful to women in preceded menstrual cycle, menorrhagia with purple in color, ropy, or with some masses, abdominal pain and distension.
